# The National Trust for Jersey

The National Trust for Jersey is a unique organisation that has been at the forefront of environmental and heritage protection since 1936. Our vision is to permanently protect Jersey's natural beauty, rich wildlife and historic places for everyone to enjoy and experience.

By becoming a Corporate Partner you will be directly contributing to the Trust's essential work in conserving our coastline, heritage and natural environment while gaining inspiring ways of achieving your corporate and social responsibility objectives.

Your Partnership will provide a range of volunteering opportunities for staff, from team-building tasks in stunning locations such as St Ouen's Pond to community projects such as Black Butter making at The Elms. A free site hire of Le C atel Fort or The White House for staff parties is included, together with discounted rates when you hire 16 New Street Georgian House for client events. We will make sure that we work together to get the most out of your Partnership.

Join today and start to explore some of Jersey's most beautiful places, while helping to protect them for future generations.
