Hi Cris

Support for Predator-Exclusion Fence at Plémont

I am writing to give the full support of the Société Jersiaise Executive to the proposed predator-exclusion fence at Plémont. You took our Vice President, Stuart Fell, and me around the area, and explained your plans for protecting the puffins from rats and ferrets, and providing a safe environment for them to continue nesting in Jersey. We took this suggestion to the Executive, who are fully in support of your plans, and are keen to put the weight of the Société Jersiaise behind them.

Please keep us in the loop and let us know if there is anything we can do.

Best wishes

Nicolette Le Quesne Westwood
